LE CABARET NOIR'S "SIN ON HEELS": THE PROVOCATIVE AND SENSUAL SIDE OF THE 4 HORSEMEN/PURE CIRKUS TO TOUR THE WEST COAST MARCH 2010, SPONSORED BY GAY CITY

SEATTLE, Wash, - (November 1st, 2009)- Le Cabaret Noir's "SIN ON HEELS", the provocative and sensual side of The 4 Horsemen/PURE Cirkus Productions, is a tantalizing cabaret-style production with a tawdry blend of burlesque and gender-bending performances. Audience members are asked to leave all inhibitions behind and let loose as this adult themed, 90-minute show takes them on a sultry thrill ride, bursting with sensational sexy performances and risqué humor. Merging the traditional with the newest forms of theater entertainment, "SIN ON HEELS" will be presented in theaters up and down the west coast this March 2010.

Part drag, part burlesque, part cabaret, "SIN ON HEELS" takes a daring playful approach by delving into the full array of human sexuality, sensuality and gender. The show brings to life a variety show of arousing humor, natural beauty, and challenges of gender differences while celebrating the universal pleasures of eroticism.
